

REMARKS

In the Non-Final Office Action, claims 1-37 stand rejected. In particular, claims 1-37 are rejected under 35 U.S.C. 103(a) as being unpatentable over Clayton et al (US 6,795,442) ("*Clayton*") in view of Kondylis et al (US 6,665,311) ("*Kondylis*") and Larsson et al (US 6,704,293) ("*Larsson*").

Applicant and the undersigned would like to thank Examiner Milord for his time during the telephonic interview with the undersigned on March 2, 2005. As agreed upon during the interview, and indicated in Examiner Milord's Interview Summary, mailed March 11, 2005, independent claims 1, 23, and 34 distinguish over the cited references without need of amendment. Claims 2-22, 24-33, and 35-37 depend from claims 1, 23, and 34, respectively, and add further limitations thereto.

Accordingly, Applicant requests that the Examiner withdraw the § 103 rejections, and pass this application to allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 18-1945, under Order No. BBNT-P01-171 from which the undersigned is authorized to draw.

Dated: March 16, 2005

Respectfully submitted,

By
